14 Fun Facts About the Sphinx: A 15-Minute Book Caitlind L. Alexander The Great Sphinx of Giza is one of the most recognized statues in the entire world. It is also one of the largest, being almost as big as a football field! The statue is about 240 feet (73 meters) long and 20 feet (six meters) wide. It stands 65 feet (19.8 meters) tall. Many mysteries still surround the sphinx. There are many things we don't know about its history and its purpose. How much do you know? Learn: How long would it have taken to carve the sphinx? Did the sphinx have a beard? What happened to the sphinx's nose? Why was the sphinx covered in stone? What does the stone tablet between the sphinx's paws say? What happened to the stones they took away when they carve out the sphinx? Find out more about the sphinx and amaze your family and friends with these fun facts. Ages 8 and up. All measurements in American and metric. The Educational Version has activities that meet Common Core Curriculum Standards. LearningIsland.com believes in the value of children practicing reading for 15 minutes every day. Our 15-Minute Books give children lots of fun, exciting choices to read, from classic stories, to mysteries, to books of knowledge. Many books are appropriate for hi-lo readers. Open the world of reading to a child by having them read for 15 minutes a day.

The All-Time Book of Fascinating Facts Charles Reichblum 2016-05-01 "The information here is fabulous and so appealing because of the 'I bet you didn't know' spirit in all of us who like to stump our friends and savor the interesting information for ourselves" --Constance Lloyd, General Manager, CBS Radio News

Facts Tracey Turner 2017-09-07 Discover a fact for everyone, everyday, in this book. Explore a world of topics, from hilarious animals, to unbelievable-but-true science facts, mind-blowing space stats, to incredible human achievements. You can even look up what extraordinary event happened on your birthday! Did you know that Ancient Romans used wee to whiten their teeth, and to do their laundry? Or have you heard of the parrotfish, which covers itself in a cosy, thick layer of its own slime before it goes to sleep? Why not celebrate New Year's Eve like the Estonians-tuck into seven meals to give you strength for the year ahead. Delicious! It 's most important to know that you should never shake hands with a bushbaby- the animals pee on their paws so that they leave a smelly trail wherever they go. Find out all this and much, much more, with enough facts for even the most curious reader. Also includes seasonal and on this day ' facts for added curiosity and fun, plus a completely random mix of everything else you can imagine. These facts are brought to life with stylish, full colour illustrations from Fatti Burke. Her charmingly beautiful artwork makes this a book to keep coming back to.

Don't go there. It's not safe. You'll die. And other more >> rational advice for overlanding Mexico & Central America

Yearning for Normal Susan E Busch 2015-02-05 This award winning book tells a mother's story of raising her son Michael, who was born missing a submicroscopic piece of chromosome 22. That tiny missing fragment of DNA affected every aspect of his life physically, mentally, and spiritually. Michael's mother describes her adventures and misadventures with the medical system,

educational system, and legal system during his growing up years. While Michael and his mother were both yearning for normal through their struggles, they were also learning acceptance of life as it is with all its glory and imperfections.

The universal assistant and complete mechanic, containing over one million industrial facts, calculations, receipts, processes, trade secrets, rules, business forms, legal items, etc., in every occupation, from the household to the manufactory R. Moore 1879

The Book of Risks Larry Laudan 1994-10-17 Tackles the problem of evaluating risks intelligently, listing the statistical risk associated with almost everything that could be worried about

Buffalo Jones' Forty Years of Adventure Charles Jesse Jones 1899 The story of the amazing Charles Jesse Jones who helped saved the buffalo from extinction.

Every Day Amazing Mike Barfield 2021-09-02 "Something amazing really does happen every single day! Literally the book of the year, this incredible compendium gives you fun and fantastic facts for every date on the calendar. Did you know that Buzz Aldrin took the first selfie in space on November 12th 1966? Or that October 21st is International Day of the Nacho? Read the facts daily throughout the year, or look up birthdays to see what amazing events in history happened on that day!"--Amazon.ca.

Your Special Gift Carol McCormick 2012-01-09 Having "the talk" can sometimes be an awkward experience for both parent and child. Even so, I didn't want to wait until my children's hormones kicked in, and I didn't want to be caught off guard when they had questions, but most of all, I didn't want them growing up with misconceptions concerning sex. I wanted my children to be informed about the facts of life, yet without being too sexually explicit in the process, because some of the facts weren't good such as pornography, diseases, and predators, but these subjects needed to be addressed as well. As a result, I told them what I have written in Your Special Gift, by using the analogy of a gift, a lock, and a key to define commonly used sexual terms, and to caution them about possible consequences, and to warn them of potential predators. I also used Scripture as the basis of defining true love. The simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward, and yet sensitive way, so that any question concerning sex can be answered by using this method. Your Special Gift is well-suited for children in the 8-to-12 year-old range.

On this Day DK 2021-12-07 Ever wonder what happened 100 years ago on your birthday? What about on Christmas Day in the year 800? Or Halloween in the distant past? You might be surprised by what you find out. On This Day is a history ebook with a difference. From January 1st to December 31st you will travel back in time and discover the weird and wonderful things that happened around the world on every day of the year. From a close encounter with Halley's Comet on April 1, 374, to the introduction of Dolly the Sheep, the world's first cloned mammal, on

February 21, 1996, there is something incredible to learn on every page. Unlike other day-by-day history ebooks, *On This Day* uses quirky graphics and funky illustrations to turn back time and bring the past of each day back to life. No matter what your interests are, this visual feast of an ebook brings together an incredibly diverse range of events, all of them united by the day they share.

[Formula One on This Day](#) Rob Burnett 2009-08-01 Formula One is the pinnacle of motorsport with the fastest cars and the best drivers in the world. This book charts the glamorous history of the sport from the pre-Championship days of road racing and riding mechanics to Lewis Hamilton's stunning last-lap Championship victory in 2008. The drivers, the cars, and the crashes are all here—a different story for each day of the year.

[Stoke City on This Day](#) Richard Murphy 2008-10-01 Stoke City On This Day chronicles, in diary form, the major events in the club's history. With individual entries for every day, and multiple listings for more historic and busier days, the book includes all the club's big matches, promotions, cup runs, significant events, and sensational signings.

On This Date April 1 Curtis Vanaudestrade 2017-03-07 People are fascinated by their birth date and what else happened on that day throughout history. This is the perfect birthday gift for friends and family members, guaranteed to be remembered as one of the most interesting gifts they receive! Full of not only the usual historic events from news, sports and the entertainment world, but also including quite a bit of captivating trivia.

[Your Day. Your Way.: The Fact and Fiction Behind Your Daily Decisions](#) Tim Caulfield 2020-12 Part pop-science, part self-help, *Your Day. Your Way.* is a friendly, funny, fact-based guide to changing how you make decisions in order to live a better -- maybe even your best -- life. We make, and worry about, a thousand big and little decisions during our waking hours. And for most of us, these decisions are made (after a lot of hemming and hawing), based on concerns or beliefs about our world that . . . well . . . simply aren't true. These misperceptions impact day-to-day decisions and stress us out unnecessarily -- and we all have enough stress as it is. Tim Caulfield seeks to provide the antidote to this analysis paralysis, teaching readers -- through sound science and silly stories -- that reevaluating their decision-making processes can lead to lives that are both more fulfilling and more exciting. *Your Day. Your Way.* unfolds like a typical day -- from the first buzz of the alarm clock all the way to bedtime. As the clock moves forward, Caulfield tackles topics associated with that particular time of day and addresses them through science-informed responses about health, offering readers a way to cut through the noise and have healthier and happier lives in the age of anxiety. Caulfield highlights what science says we should be worried about and how we can de-stress and live a healthy lifestyle. Rather than burying you in the facts, or listing out a bunch of specific things you should or should not be doing, Caulfield uses wit, humor, and a wide variety of examples to encourage readers to reevaluate how they make all of those decisions -- so that they can live in a way that truly works for them.

Too Big to Know David Weinberger 2014-01-07 We used to know how to know. We got our answers from books or experts. We'd nail down the facts and move on. But in the Internet age, knowledge has moved onto networks. There's more knowledge than ever, of course, but it's different. Topics have no boundaries, and nobody agrees on anything. Yet this is the greatest time in history to be a knowledge seeker . . . if you know how. In *Too Big to Know*, Internet philosopher David Weinberger shows how business, science, education, and the government are learning to use networked knowledge to understand more than ever and to make smarter decisions than they could when they had to rely on mere books and experts. This groundbreaking book shakes the foundations of our concept of knowledge—from the role of facts to the value of books and the

authority of experts—providing a compelling vision of the future of knowledge in a connected world.

Truth Facts Mikael Wulff 2016-11-08 Welcome to Truth Facts, a collection of information graphics that poke fun at societal quirks and everyday absurdities through charts and graphs. Danish writer Mikael Wulff and cartoon artist Anders Morgenthaler have taken the internet by storm with their humorous and perceptive infographics that turn commonplace phenomena into clever commentary. In distilling keen observations about universal experiences into elegant charts and graphs, Truth Facts gets to the heart of the paradoxical and wonderful world we all share, and puts modern reality into perspective in a funny and visceral way. These simple, colorful graphics explore societal quirks and everyday oddities, such as what happens when you call customer service (anything but service), when banks are open (only when you're at work), the biggest lies on the internet ("LOL"), and much more. Playfully teasing readers even as it explores themes like perception vs. reality, this compendium of life's truest facts prods us to laugh at ourselves, own up to our shortfalls, accept the strangeness of the world we live in, and continue on—happier and more connected to one another than ever before.

Every Day Is a Holiday George Mahood 2014-03-05 "...laugh out loud moments on nearly every page..." "...had me laughing from beginning to end..." "...loved the book - funny and engaging..." "...read it, love it, recommend it..." George Mahood had a nice, easy, comfortable life. He had a job, a house, a wife and kids. But something was missing. He was stuck in a routine of working, changing nappies and cleaning up cat sick. He felt like he was missing out on a lot of what the world had to offer. He then discovered that it was Bubble Wrap Appreciation Day. The day after that was National Curmudgeon Day, and the day after that was Inane Answering Machine Message Day. In fact, the calendar is FULL of these quirky, weird and wonderful events. He realised that somebody somewhere had created these holidays, believing that they were important enough to warrant their own official day. Surely he should therefore be more appreciative of their existence? So he decided to try and celebrate them all. As you do. He hoped that at the end of the challenge he would be transformed into a happier, more intelligent and more content person. Follow George on his hilarious, life changing adventure as he tries to balance his normal life with a wealth of new experiences, people, facts and ridiculous situations. It's a rip-roaring, life-affirming, roller-coaster of a ride, where every day is a holiday.

The Book 2013-04-17 Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity. It reveals that we are, without realising, not doing enough or the right things to protect our health and prosperity which is equally extremely damaging to nature, wildlife, oceans, sea-life, fresh springs, waterways and air, and us. The Book by Linde utilises new and ancient knowledge from around the world, over the millennia identifying what changes we need to make to enhance every aspect of our lives with simple solutions for almost every situation. It is your most powerful contribution to protecting, nurturing and saving our planet. In summary, 'THE BOOK' Consists of Six Chapters which incorporates a summary within each one: Lifestyle; Food & Nutrition; Medical Care; Mind; Water; and Now Live the final chapter which you can cast your eye over first as it is a synopsis of the complete works. It is highly recommend to read from cover to cover but, it is packed with valuable information to just use as a Reference Manual on a day to day basis. Teaches you how to look after your body and mind to ultimately prevent illness, but also to help regain and maintain perfect health; Provides countless number of practical, realistic & simple tips to easily adopt into your day to day lifestyle improving quality of life, saving time & money and gaining longevity; Fuses together specialised areas in health & mind, lifestyle & environment under one cover; Identifies our day to day toxic exposures that we are unaware of and provides successful resolutions; Gives you complete fundamental knowledge and awareness, to use your courage to take responsibility for your life enhancing your health, prosperity and happiness; Provides you with ancient knowledge and practices to new, from science including quantum physics, to philosophy, psychology, and important detail on nutrition, exercise, energies and medicine; Is

very current, answering all the conflicting hype about diets, the next super food or the bad effects of conventional drugs or sugar that are in the media weekly, even daily; For more information please visit www.thebookbook.co.uk

A Logic of Facts, Or, Every-day Reasoning George Jacob Holyoake 1866

Born in 1939? What Else Happened? Ron Williams 2020-03-23 The first in a series of 33 Year-books that detail the Social History of Australia in the 33 years 1939 to 1971. It describes how the population felt as the excitements and changes of those years developed. Great for birthdays and Christmas for families and friends, aunts and uncles, Gran and Pop, workmates and boss. You too. Every Day David Levithan 2012-08-28 THE NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR by Booklist • Kirkus Celebrate all the ways love makes us who we are with the romance that Entertainment Weekly calls "wise, wildly unique"--from the bestselling co-author of Nick and Norah's Infinite Playlist and Will Grayson, Will Grayson--about a teen who wakes up every morning in a different body, living a different life. Now a major motion picture! Every day a different body. Every day a different life. Every day in love with the same girl. There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not interfere. It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with—day in, day out, day after day. With his new novel, David Levithan, bestselling co-author of Will Grayson, Will Grayson, and Nick and Norah's Infinite Playlist, has pushed himself to new creative heights. He has written a captivating story that will fascinate readers as they begin to comprehend the complexities of life and love in A's world, as A and Rhiannon seek to discover if you can truly love someone who is destined to change every day. "A story that is always alluring, oftentimes humorous and much like love itself—splendorous." —Los Angeles Times

I'm No Dummy Everyday Bryan W. Simon 2021-04 I'm No Dummy Everyday: 365 Days of Ventriloquial Oddities, Curiosities, and Fun Facts is a continuation of the hit comedy documentary I'm No Dummy and I'm No Dummy 2 directed by Bryan W. Simon. With the help of Vent Haven Museum, the only museum in the world dedicated to art of ventriloquism, this book brings to life remarkable facts, legends, lore and stories. You'll learn what two ventriloquists have streets named after them, what puppet was sued for divorce, the puppet that ran for Governor of Kentucky, the puppet that testified before Congress, and the famous actress that was banned from radio because of what she said to a puppet. An engaging, entertaining and enlightening look into this amazing art form.

A History Fact a Day for Editing Deborah Hormann 2002-03-01

Late Bloomer Carol Tyler 2005-01-01 Carol Tyler has been a professional (and highly acclaimed)

cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahs as well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}
