**The Comedies of Machiavelli** Niccolo

Machiavelli 2007-09-15

Though better known today as a political theorist than as a dramatist, Machiavelli secured his fame as a giant in the history of Italian comedy more than fifty years before Shakespeare's comedies delighted English-speaking audiences. This bilingual edition includes all three examples of Machiavelli's comedic art: sparkling translations of his farcical masterpiece, *The Mandrake*; of his version of Terence's *The Woman From Andros*; and of his Plautus-inspired *Clizia*--works whose genre afforded Machiavelli a unique vehicle not only for entertaining audiences but for examining virtue amid the twists and turns of fortune.

Psycho-pedagogical  
research in a Double-degree  
programme Guido

Benvenuto 2020-03-31 In

this volume we have collected the contributions of many colleagues from the teaching board of Double Degree Joint Master's Programme in Pedagogy and Educational Sciences and Training of Sapienza University of Rome and two prestigious universities of the Russian Federation: Moscow Federal University for Psychology and Pedagogy (MSUPE) and North-Caucasus Federal University (NCFU) at Stavropol. The present anthology is meant to review the positions and studies that individual teachers from the different universities involved presented in recent years, during online courses, in the lecturing, in the

meetings and to discuss their possible opportunities. The volume puts forward this programme, to spread its structure, the theoretical assumptions and the various positions. The contributions are meant to testify a keen interest in internationalization that Sapienza is carrying out. The contributions collected give the reader a chance to share a common interest in the promising approach implied by the Historical-cultural trend in Psychology and Pedagogy of the Vygotsky's thought, which seems a must in psycho-pedagogical reflections, and in organizing and evaluating school activities.

The Shit/La Merda Cristian Ceresoli 2012-11-07 You have to laugh. It is a tragedy in three movements: The Thighs, The Dick, The Fame and a counter-movement: Italy. An actress creates a physical and vocal mask challenging a provocative, scandalous and beastly text. Words might be sung, howled and shrieked but a chant never emerges. In her naked physicality she tells a personal story in an unbroken flow of thoughts/words rendered as sounds and movement. The deafening screams being choked. Appeased. Imploded. This female onstage offers herself up in a feast, ready to be torn apart by anyone. A poetic piece born of the flesh that returns to the flesh,

August 7, 2022 by guest*

captured in a tightly-sealed aesthetic. Applause required. The Shit is driven by a desperate attempt to pull ourselves out of the mud, the latest products of the cultural genocide aptly described by Pasolini since the modern consumer society began taking form. A totalitarianism, according to Pasolini, even more repressive than the one of the Fascist era, because it's capable of crushing us softly. Si deve ridere. E' una tragedia in tre tempi: Le Cosce, Il Cazzo, La Fama e un controtempo: L'Italia. Nella sua nudità e intimità pubblica, l'attrice costruisce una maschera fisica/vocale sfidando un testo scandaloso, provocatorio e rabbioso. La scrittura è cantabile, ma il canto non emerge mai, ed è invece preponderante la chiave dell'invettiva, del grido, del corpo che sussulta la sua storia personale in un flusso di pensieri/parole raccontati come suoni. Strazianti. Urla assordanti e contratte.

Sopite. Implose. La femmina si offre dal vivo come in un banchetto, pronta a venire sbranata da tutti. Una partitura poetica che nasce così dalla carne e alla carne ritorna, pur dentro a una rigidissima confezione estetica. Applausi obbligatori. La Merda ha come spinta propulsiva il disperato tentativo di districarsi da un pantano o fango, ultimi prodotti di quel genocidio culturale di cui scrisse e parlò Pier Paolo Pasolini all'affacciarsi della società dei consumi. Quel totalitarismo, secondo Pasolini, ancor più duro di quello fascista poiché capace di annientarci con dolcezza. Since its world premiere in Milan in 2012, #LaMerda, written by Cristian Ceresoli and embodied by Silvia Gallerano, has brought its poetic and shocking stream of consciousness on the human condition around the world with sell-out seasons in Edinburgh, London, Berlin, Copenhagen,

Adelaide and across Italy (where a subtle censorship is still applied), winning six major international awards including the coveted Scotsman Fringe First Award for Writing Excellence and The Stage Award for Best Performance. The play has already been translated and produced in Italian, English, Brazilian Portuguese, Danish, Spanish and Czech, and will shortly be translated into German and French.

### **The 'Ndrangheta and Sacra Corona Unita**

Nicoletta Serenata  
2014-05-13 This book covers two lesser known but important members of the Italian Mafia: the 'Ndrangheta and the Sacra Corona Unita. Italian criminal organizations, in particular Mafia, are one of the most commonly researched organized crime groups, usually focusing on the Sicilian Mafia, Cosa Nostra, or the Neapolitan Mafia, Camorra. However,

Italy has other two other Mafias, one in Apulia, Sacra Corona Unita, and the other in Calabria, 'Ndrangheta. Although an extensive literature is available on Cosa Nostra and Camorra, less is known about the other two organizations, particularly their operations in the United States.

Territory is one of the most important elements in the Mafia because the criminal organization operates its signoria territoriale, controlling every illegal activity in its sphere of action. This territorial power goes beyond the Italian boundaries reaching the United States of America and other non-European countries, with the mere aim of developing their drug/weapon deals and money laundering businesses. Mafia, therefore, is not a uniquely Italian phenomenon as it might appear, but a worldwide phenomenon, affecting many societies and economies. This unique

volume is its interest into a field as yet completely provides new information about the 'Ndrangheta and Sacra Corona Unita written by an interdisciplinary group of Italian scholars. It covers organizational, hierarchic, and operative aspects: that is, the role that they have in politics, in their own families, in business relations in Italy and abroad. It also highlights the particular role that Cosa Nostra and Camorra had in their development. This work will be of interest to criminology researchers studying organized crime, corruption, money laundering and trafficking, as well as researchers from related fields, such as political science, economics, and international relations.

Vita Di Torquato Tasso  
Angelo Solerti 1895

Freud and Italian Culture  
Pierluigi Barrotta 2009 This book explores the different ways in which

psychoanalysis has been connected to various fields of Italian culture, such as literary criticism, philosophy and art history, as well as discussing scholars who have used psychoanalytical methods in their work. The areas discussed include: the city of Trieste, in chapters devoted to the author Italo Svevo and the artist Arturo Nathan; psychoanalytic interpretations of women terrorists during the anni di piombo; the relationships between the Freudian concept of the subconscious and language in philosophical research in Italy; and a personal reflection by a practising analyst who passes from literary texts to her own clinical experience. The volume closes with a chapter by Giorgio Pressburger, a writer who uses Freud as his Virgil in a narrative of his descent into a modern hell. The volume contains contributions in both English and Italian.
